**Section 9: SUBORDINATION OF THE LIEN TO MORTGAGES:** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. The sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter, becoming due or from the lien thereof.

Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses.

All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractor, and then negotiated with any contractor who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building, buildings or other improvements. In the event the insurance proceeds are insufficient to apply all the costs of repairing and/or rebuilding the same condition as formerly, the Board of Directors shall levy a special assessment against all owners in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained to make up any deficiency. In the event such insurance proceeds exceed the cost of repair and construction, such excess shall be retained by the Association.

In the event that no decision is made within said time, the party submitting the request for consideration may consider that an approval has been obtained by the Committee.

Neither the Architectural Control Committee, its members nor its successors or assigns, shall be liable in damages to anyone by reason of any mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to make any approval pursuant to the provisions of this declaration.
