

## Oriva Hills Improvement & Service District Property Owners

**Do we as a community want new mailboxes at the entrance to Oriva Hills?**

1. The cost will be \$100 per lot which is two \$50 fees added to the spring and fall assessment.
2. These will be locked boxes, which will be installed by the Improvement & Service District.
3. We are asking whether you support or are opposed to the installation of these locked boxes.
4. You will not need to maintain your own box.

I support the installation of new locked boxes:      Yes      No  
**(Circle Yes or No)**

Property owner name: \_\_\_\_\_

Property owner address(es): \_\_\_\_\_
