Time Called to Order: 9:30

Discussed the emergency road conditions - snowy and icy. Cars are going off of the roads and getting stuck. Propane truck is sideways in the road. Contractor showed up last Sunday but didn't have the appropriate equipment to take care of the roads. Board members have been unable to find any contractor that will come and work on the roads.

Time Meeting Adjourned: 9:45

Respectfully submitted,

Mike A. Zmudzinski 1-14-25
