#### IV. Unfinished Business

- a. Roads – Wade Howie reported that he called a few contractors for bids on scraping down the sides of the roads to get rid of the ridge on the sides that prevents the water from running off the road and also for re-crowning the roads. He also requested bids for what it would cost to resurface. Only one bid was received so far that included several options. There was discussion on different surfacing options. Scoria is the cheapest, but it breaks down too fast. Kuhbacher provided a bid for some limestone mixed in with river rock that he recommended. This will be discussed further at the next meeting. There was discussion on culverts. Wade Howie drove around the District with the engineer from the County, and the only culvert the County thought would be needed was possibly a culvert near Judes' house. The main thing is to fix the crown and get the edges knocked down. Once that is done, we can look at how things drain.

**V. New Business**

- a. There was discussion on putting a light by the mailboxes. It's pretty dark, especially this time of year. There was discussion on living in the country and some people move out there because it's dark and prefer not to have lights. A suggestion was made to call the landowner that is across the street from the mailboxes to make sure they wouldn't have an objection to a light there.

Wade Howie adjourned the meeting at 5:59 p.m.

**Next Regular Meeting: Wednesday, February 13, 2019, 5:30 p.m.**

**MEETINGS ARE HELD AT THE OFFICE OF CATHEY CONSULTING AT 400 SOUTH GILLETTE AVENUE, SUITE 106, GILLETTE, WYOMING (K<sup>2</sup> TECHNOLOGIES BUILDING – USE ENTRANCE ON 4<sup>TH</sup> STREET).**

Respectfully submitted,
