The special meeting is for the purpose of authorizing road work and a County grant application.

Zeke Zebroski called the meeting to order at 4:30 p.m.

The proposed road work includes putting down 800 tons of crushed asphalt on 9 spots that need it most. The work will start as soon as the grant is approved (hopefully April 2nd). The material will be purchased from Hot Iron and then Stephens Trucking will haul the crushed asphalt to the District. The material will be windrowed down the middle of the road and then spread by the County when the County can get there. The material cost is estimated at $30,000, and the grant application is for $7,500.00.

Zeke Zebroski moved to approve the scope of work / plan and grant as discussed and to go ahead with the work as soon as the grant is approved. Jeff Carter seconded. Motion carried unanimously. The meeting was adjourned at 4:39 p.m.
